Dear Sir/Madam,

Sub: Application for the post of Graphic Design Internship

I recently came across your advertisement for a graphic design internship and would like to submit my resume and application for the advertised post.

After perusing your requirements, I feel that my qualifications and work experience perfectly match them. I hold a Bachelor's Degree in BSc Hons computing from Islington College, Nepal and currently I am pursuing Masters Degree in Web and Multimedia Design at Touro College, New York. I have a work experience of 3+ years in designing. I am well versed in different areas of design and have successfully designed solutions for print media and websites. I have experience of working with different designing software. I am comfortable with Mac as well as Windows. My focus is on developing solutions that are visually appealing and in consonance with the vision and values of my clients. I enjoy working in a creative team and have the ability to communicate with managers and colleagues. As such, I believe I can make a significant contribution to your company.

I have attached my resume here and I can bring my complete portfolio to an interview and look forward to the opportunity to do so. If you find my application worth considering, I would be happy to attend the interview at your convenience.

Sincerely,
Oshan Gurung

Dear Sir/Madam,

Sub: Application for the post of Junior Graphic Designer

I am writing this letter to express my interest in the post of Junior Graphic Designer opening as advertised on Glassdor.

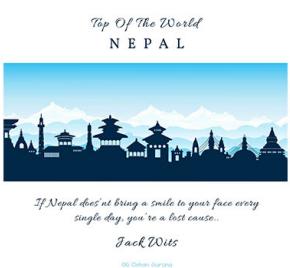

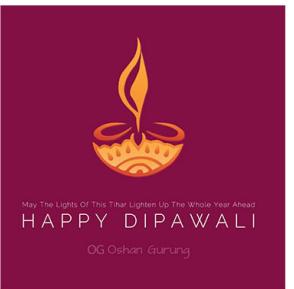

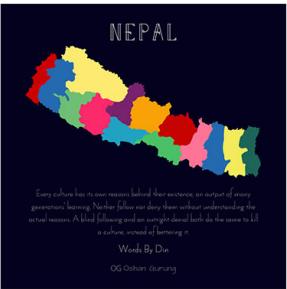

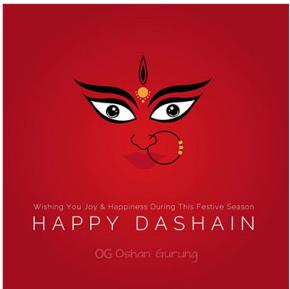

As an experienced graphic designer, I have spent over three years designing digital content and apps for established media groups in the Nepal, and I am confident that my skills make me a strong candidate to fulfill the creative needs of your company. Having served as a UI/UX designer at New IT Venture, I am adept with a wide range of digital media marketing, including websites, online advertisements, brand identity design web design and also mobile application design. I excelled at my assignments during the under graduate degree and was offered a role in the institutes Creative Designer in Business Development faculty.

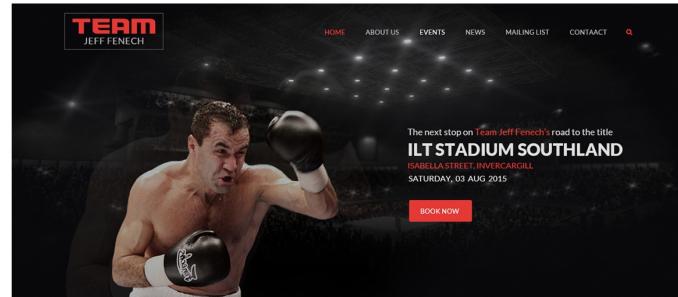

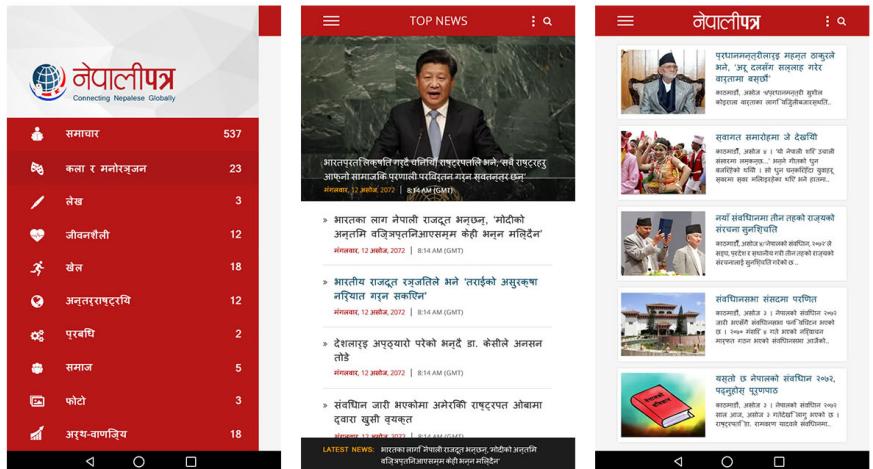

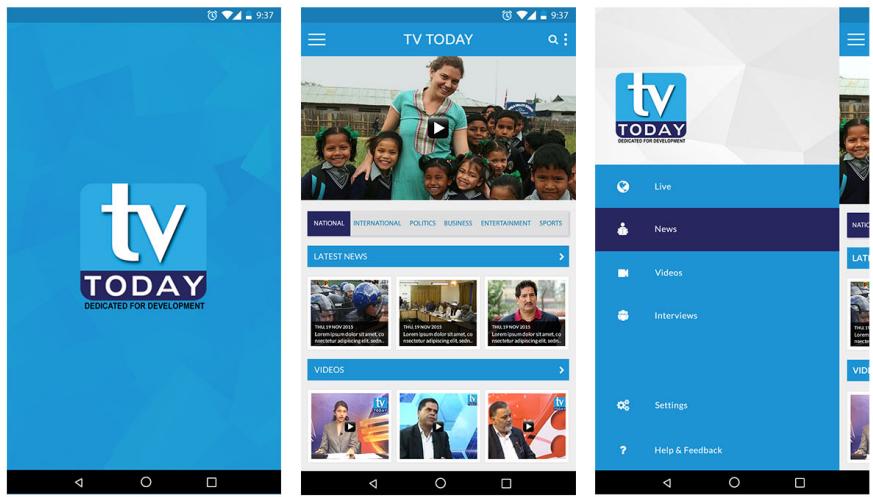

I believe that my skill set and creative vision would partner well with the company's future goals. I would love to meet you in person for an interview at your earliest convenience. You can contact me at my phone or by email. Thank you for your time, and I look forward to hearing from you soon.

Sincerely,
Oshan Gurung
